

STRENGTHSFINDER COACH BIOS

LESLIE

Leslie Boomer is Certified as an Executive Coach for Emotional Intelligence in Leadership by the Weatherhead School of Business, Case Western Reserve University. Passionate about the benefits of the Clifton StrengthsFinder, she is also one of the first 150 coaches to become a Gallup Certified Strengths Coach here in the United States. Her coaching work is focused mainly on StrengthsFinder for individuals & teams in business. She & her husband also use the StrengthsFinder for couples coaching & workshops for church & other non-professional groups in their area.

CHRIS

Chris Bohle holds a master's degree in education leadership from Loyola University Chicago & also completed 3 Gallup-sponsored sequences of formal training on the StrengthsFinder instrument. He has taught leadership classes at colleges in Michigan & Chicago & has published pieces on leadership in nationally known peer-reviewed journals. He has worked with the instrument for over eight years & has helped over 1000 individuals identify & thrive in their strengths. Chris has been married for six years & spends his spare time with his wife & son.
